Delivering for Nutrition 2023: Implementation Abstract Form (Template)

This document allows you to view all questions in the implementation abstract form before submission so you can prepare your responses in advance. Note that submissions are only accepted through the official form online. To submit an implementation experience abstract, please visit this link.

PRESENTER INFORMATION

1. Title

2. First name

3. Last name

4. E-mail address

5. Re-enter your e-mail address

6. Organization/Affiliation

7. Designation/Position

8. Contact Number

9. Co-author/collaborator information
   - *If there are <u>no</u> co-authors/collaborators, please write N/A.*
   - *If there are co-authors/collaborators, please enter their e-mail addresses, separated by semicolons (e.g., j.smith@cgiar.org; j.doe@cgiar.org).*

10. Which country/region is the abstract primarily related to?

11. Country of presenter

12. Are you interested in attending the conference in person, if possible?

ABSTRACT INFORMATION

13. Abstract title

14. Has this work been published?

15. Which topical area is most closely aligned with your abstract?
    - Agriculture
    - Food environments
    - Health systems
    - Diets
    - Social protection
    - Not applicable

16. What is the second most closely aligned topical area?
    - Agriculture
    - Food environments
    - Health systems
    - Diets
    - Social protection
    - Not applicable

17. Which aspects of equity and inclusion are explored in your abstract?
    Select all that apply.
    - Age
    - Citizenship/immigration status
    - Disability
    - Gender/sex
    - Political affiliation
    - Race/ethnicity
    - Religion/faith
    - Sexual orientation
    - Socioeconomic/class
    - Other

18. Geographic location
    - Sub-national (e.g., an area within a country that represents a smaller administrative region, such as a state, province, region, county, or city, within the larger national boundaries)
    - National
    - Regional (South Asia)

19. Target population
    Select all that apply.
    - Children (0-5 years)
    - Children (6-<10 years)
    - Adolescents (10-19 years)
    - Pregnant and/or lactating women
    - Adult men and women
    - Other
